QUANTUM ARB

OFFICIAL BUSINESS & COMPENSATION PLAN DOCUMENT

1. PLATFORM OVERVIEW

Quantum ARB is an autonomous algorithmic arbitrage and liquidity yield platform. It scans global exchange order books 24/7 to capture risk-free price discrepancies across premier cryptocurrency exchanges (Binance, OKX, Bybit, Coinbase, Kraken, etc.). All transactions, earnings, and payouts are calculated in USD ($) and processed via USDT (BEP-20 / TRC-20).

2. INVESTMENT PACKAGES & DAILY ARBITRAGE ROI (STAKING YIELD)

Every member can activate an investment package starting from a minimum of $100. Daily ROI is credited every 24 hours directly into the member's wallet.

Package Tier	Investment Range	Daily ROI	Approx. Monthly Return
Starter Tier	$100 – $999	1.5%	45%
Standard Tier	$1,000 – $4,999	2.0%	60%
Advance Tier	$5,000 – $9,999	2.5%	75%
Elite Tier	$10,000 – $24,999	3.0%	90%
Master Tier	$25,000 – $99,999	3.5%	105%
VIP Whale Tier	$100,000+	4.0%	120%

3. DIRECT REFERRAL COMMISSION (5% INSTANT)

- On every member you directly sponsor with your referral link, you receive a flat 5% instant Direct Referral Bonus of their package amount.
- **Example:** If your direct member activates with $2,000, you instantly receive $100 in your wallet.
- There is no limit on the number of direct referrals you can make.
- Having at least 1 active direct referral also unlocks the 5X Capping Booster.

4. 20-LEVEL ROI-TO-ROI GENERATION MATCHING INCOME

- Members earn a daily percentage based on the daily ROI earned by their team across 20 generation levels.
- **Level 1:** 15% of the daily ROI earned by direct members.
- **Level 2:** 10% of the daily ROI earned by level 2 team members.
- **Level 3 to Level 5:** 5% of the daily ROI earned by team members in levels 3, 4, and 5.
- **Level 6 to Level 10:** 3% of the daily ROI earned by team members in levels 6 through 10.
- **Level 11 to Level 20:** 2% of the daily ROI earned by team members in levels 11 through 20.
- This matching bonus is credited every single day as long as team members receive their daily ROI.

5. 3X AND 5X SAFETY CAPPING MULTIPLIER RULES

- **Basic 3X Capping (300%):** If a member has NO active direct downline (downline = 0), their maximum total earnings from all income sources cannot exceed 3X (300%) of their active self-package.
- **Booster 5X Capping (500%):** As soon as a member has 1 or more active direct referrals (downline >= 1), their capping limit is boosted to 5X (500%) of their self-investment.
- All earnings (Direct Income, Level Matching Income, Daily Staking ROI, and Rank Rewards) count towards the capping limit.
- Once 3X or 5X capping is reached, the member can re-topup or re-activate their package to start a fresh earning cycle.

6. LEADERSHIP PROGRESSIVE RANKS & SPECIAL TRADING BONUS

- Top performers receive an additional Special Trading Bonus on team turnover.
- **Silver Rank:** 15% Special Trading Bonus.
- **Gold Rank:** 30% Special Trading Bonus.
- **Diamond Rank:** 40% Special Trading Bonus.

7. DEPOSIT, WALLET & WITHDRAWAL RULES

- **Minimum Activation:** $100 USDT.
- **Deposit Network:** USDT (BEP-20 / TRC-20) with automated instant on-chain confirmation.
- **Cash Wallet:** Payout wallet for withdrawable earnings.
- **P2P Wallet:** Instant fee-free member-to-member transfers and account activations.
- **Staking Wallet:** Active principal generating daily arbitrage yields.
- **Withdrawals:** Automated 24/7 processing to the member's verified wallet address.
